

Helping Hands of St. Francis

Remembering the Biblical imperative to love your neighbor as yourself, we seek to tend to the needs of our church family in a neighborly way by matching those who have needs with those who can help.

We are very excited about a pastoral ministry here at St. Francis in which we hope to monitor and tend to the needs of each other in a “neighborly” way – whether by running an errand, raking some leaves, sharing a visit or phone call, walking a pet, preparing a meal, or giving a ride to an appointment or to church. Gone are the days in which neighbors are often around to look after each other. We hope to recapture that careful attention to each other by coordinating a list of those who have temporary needs (surgery, extended illness, death of a loved-one, being home-bound, job loss, childbirth, or other unique situation), and a list of those who can help.

If you are interested in this ministry or have questions, please fill out the form below and place it in the offering plate, send it to the church office, or call the office at 288-4721.

Your time commitment would be flexible and based on your schedule.
