

ST. FRANCIS EPISCOPAL CHURCH

Dear Parents:

You are receiving this communication because our church records indicate that you may have a child that qualifies for our Confirmation class this year. If there is a rising 8th grader among you – we invite them to join our class that will begin meeting September 19th, at St. Mikes House.

It is our mission to help young teens reaffirm their baptismal promises. The parents and Godparents made these promises at Baptism. As these youth grow up in the church, they become young adults and can make choices to take their Baptismal promises as their own. The confirmation curriculum covers all facets of the church while emphasizing community and group dynamics within the class.

Class will be held in St. Mikes at 9:15 AM on Sunday mornings. We meet from September through April and confirmation will be held on May 1, 2011. We follow the Guilford County School calendar for holidays and vacation times.

The program does require commitment to attend as many of the classes as possible, church attendance, a class service project and a weekend retreat January 14-16.

We would love to have the opportunity to continue your youth's growth in Christ. If you will have a youth attending – please complete the attached form and email to ChrisBean@triad.rr.com or turn into the church office.

Blessings,

The Confirmation Team

Chris Bean

Robert Black

Kit & Scott Hargett

Meg & Marcus Hayes

Terri and Brad Jones
